

Who We Are

SLR is a global leader in full-spectrum sustainability solutions: providing clients with strategic advice and on the ground support, partnering with them in **Making Sustainability Happen.**

Starting as a UK business over 30 years ago, SLR has grown to deliver client solutions from a network of offices across Africa, Asia Pacific, Canada, Europe, Latin America and the US, with over 4,600 talented professionals.

In Aotearoa New Zealand, we advise our clients across the life-cycle of major projects, specialising in a range of sectors including Government, Infrastructure, Power, Renewables and Energy, Built Environment, and Industry. We deliver advice and support on a wide range of strategic and project-specific issues to a diverse and growing base of business, regulatory and government clients.

Our national team comprises over 170 employees based across ten office locations, that respond to the local needs of our clients. We understand and recognise the challenges and opportunities that are specific to Aotearoa New Zealand, and work closely with our clients and communities to deliver sustainable solutions.
